HMRC Notes

1. If your declaration covers donations you may make in the future:
 - Please notify the charity if you change your name or address while the declaration is still in force.
 - You can cancel the declaration at any time by notifying the charity – it will then not apply to donations you make on or after the date of cancellation or such later date as you specify.
2. You must pay at least as much UK tax as the charity will claim from HMRC. This means that for gifts made up to 5th April 2008, you must pay at least 28p tax for every £1 donated and for gifts made on or after 6th April 2008, 25p tax for every £1 donated.
3. If in the future your circumstances change and you no longer pay tax on your income and capital gains equal to the tax that the charity reclaims, you can cancel your declaration (see note 1).
4. If you pay tax at the higher rate you can claim further tax relief in your Self-Assessment tax return.
5. If you are unsure whether your donations qualify for Gift Aid tax relief, ask the charity or, refer to the Inland Revenue help sheet IR65 available from your local tax office or on the HMRC web site.
