

I'm supporting St Ann's Hospice!

St Ann's Hospice aims to significantly improve the quality of life for adults over the age of 18 living with life-threatening illnesses in Greater Manchester, while supporting their families and carers. We are an independent local charity and all care is provided free of charge to over 3,000 people each year - we need to raise around £16,000 every day to provide this free care for our patients.
