# Thank you for supporting St Ann's this Easter

We're really grateful to you for thinking of St Ann's, and we hope you have fun raising money for a fantastic cause. St Ann's Hospice is a charity which provides free care to people from across Greater Manchester with life-limiting illnesses, and their families. By getting involved you really will be making a huge difference to the lives of local people this Easter.

**£30** pays for an hour's bereavement session – a personalised session for carers and family members from one of our bereavement support team.

**£100** pays for us to run our hospice ambulance for one day - vital transport for patients to enable them to benefit from our services.

**£50** pays for an hour's worth of treatment with one of our specialist practitioners in lymphoedema, physiotherapy or occupational therapy.

## Eggcellent ways to get involved

This pack is full of ideas to get you started with your fundraising, and includes activity pages which can be photocopied and used widely. As well as these ideas and activities, please feel free to do something a little different which works for your group, organisation or school.

### The Five Step Easter Fundraising Plan:

-  Decide on your Easter event or activity
-  Choose your date, time and venue
-  Advertise your Easter event – don't forget to photocopy and use the posters in this pack, and tag us in any posts you share on social media
-  Have lots of fun at your event! Use some of the Easter activities in this pack, or get your supplies from us to boost your fundraising
-  After your event, collect all the money you've raised and send it to us at the hospice. You can either pop into one of our hospice sites, call us on 0161 498 3631 to make a payment over the phone, or post a cheque made payable to St Ann's Hospice.

We'd love to hear what you're up to and see photos of all the fun you're having. You can get in touch with us through our social media pages:

# Easter fundraising ideas

## Easter Egg Hunt

Why not invite your family and friends to take part in a special Easter Egg Hunt in aid of the hospice? Hide the eggs, and each participant makes a donation of £1 to take part. Happy hunting!

## Easter Dress Up Days

Instead of the usual dress down days or non-uniform days, have an Easter fancy dress day! Charge £1 for people to spend the day dressed as a bunny, or even an Easter egg! Use some of the activity sheets in this pack to raise even more money.

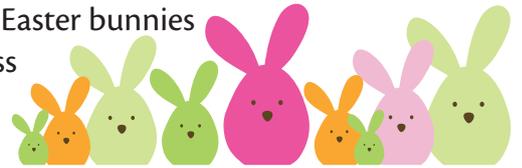

## Easter Raffle

Raffle off some Easter goodies at your work place, home, school or organisation. Make sure you contact your local council to find out if you will need to apply for a lotteries licence. Please contact us for any advice on this.

## Try some Eggercise

Hold an egg and spoon dash race, with competitors dressed as Easter bunnies. Go to, or run, an exercise class? Why not hold an eggercise class instead, where all participants wear fancy dress to take part? Do a sponsored Easter walk, skip, jump – anything active!

## The Big Easter Quiz

Hold a special Easter quiz – charge £1 to enter, dress up and perhaps hold a raffle and sell cakes to boost your fundraising total.

## Get Creative!

Challenge your friends and family to an Easter Egg decorating competition. Buy some eggs, boil them up, and get crafty! Each participant can make a donation of £1 to take part, and you could award the creator of the best decorated egg with a special prize!

## Donations in lieu of Easter Eggs

Instead of buying Easter Eggs this year, use the poster in this pack so you can write messages and make a donation to St Ann's. It's an eggstremely simple way of supporting us!

## Easter Eggstras

These are just some of our Easter fundraising ideas. How many can you come up with? There are also some Easter activity sheets included in this pack to help you boost your fundraising!

# Your Easter Eggstras

The next few pages include activity sheets and materials to help you raise money for our patients!

## Guess the Easter Bunny's name

Pick the name of the Bunny and keep it secret! Sell each square for £1, and when they're all taken, reveal the winner. You could give a cash prize (25% of the takings) or provide an Easter Egg as a prize.

## Colour in the Bunny

Why not hold an Easter Bunny colouring-in competition with a small entry fee and a prize for the best one? Just photocopy the colouring-in sheet as many times as you need it

## Easter Sponsor Form

Photocopy as many times as you need and use these sponsor forms for any activities you need them for.

## Easter Poster

Simply print as many times as you need – fill in the details of your event or activity, and get advertising!
