

St Ann's Hospice

every day makes a difference

Working for St Ann's

We're proud to care
We're proud to work together
We're proud to make a difference

At St Ann's, there's one thing that motivates us, and that's providing excellent care and support to those living with or affected by life-limiting illnesses.

We're continuously developing our plans for delivering world-class, innovative care and to ensure St Ann's is in the best shape possible for future generations.

You'll be challenged, inspired and empowered to help us achieve our purpose and to play your part in making a difference.

All of our team members will role model our core values...

People matter

People are at the centre of everything we do. We treat each other, and ourselves, with kindness and compassion. We value and celebrate diversity; recognising everyone as an individual.

Brave and bold

We want to grow for the future, not settle. We're not afraid to do things differently, get creative, challenge ourselves and the status quo. We're ambitious in our aims, accountable for our actions and learn from our experiences and successes.

Lead and learn

We're experts in what we do, and we don't stop there. We're always learning; informing and shaping the sectors we're in through education, training and research. We lead by example; sharing best practice, advancing in our fields and pioneering new approaches.

Together we are stronger

Together, we're stronger and have a bigger impact than we could have alone. As a charity, we work in collaboration with supporters, partners and the communities around us. We think beyond traditional boundaries to make sure we're here for our communities for years to come.
